

Frame : FlowLayout

The image shows a Java Swing window titled "로그인 화면" (Login Screen). The window has a standard title bar with a maximize button, a close button, and a minimize button. The content area is organized using a `FlowLayout` layout. It contains two text input fields. The first field is labeled "아이디" (ID) and the second is labeled "비밀번호" (Password). Both fields are labeled "TextFeild" in the image. Below the password field is a button labeled "LOGIN".
